OTTAWA, 6th July, 1928.

Sir,-

N.E. ¼ of Sec. 33, Tp. 32, Rge. 17, West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Memorandum.

Deputy Minister.

The C.N.R. has applied to purchase for railway and townsite purposes the S½ of the NW¼ 9—31—14 W. 4th M., part of the homestead of C. W. Burnell, and the S½ of the NE¼ 10 adjoining, part of the military homestead of A. E. Walters. Abandonments have been filed of these quarter sections in favour of the Company.

Part of the land applied for is crossed by the Saskatoon and Goose Lake Branch of the C.N.R. The Company has already been allowed to purchase 4½ quarter sections at this point for divisional purposes. (Please see 1028128 plan on file hereunder which I have marked)

There is nothing on file to show the merits of this application but as the Company has already been allowed to purchase considerable area at this point I do not see any objection to granting the present application.

Respectfully submitted,

Cancellation proceedings were instituted on the 22nd June, 1909.

In view of the foregoing, should not cancellation be carried out?

Sir,-

Re N.E. 31-2-12 W. 4th Mer.

I beg to inform you that Mr. H. G. Cuttle, Chief Inspector of Dominion Land Agencies, Winnipeg, advises that John Anderson of Kippenville, Alberta, is complaining that seed grain liens for $228.10, $158.85, $105.00 and $29.30 are registered against the above described land in error, and to say the records here show that these amounts cover liens given by one John Anderson in connection with the N.W. 3-1-17 West 4th Meridian and are therefore erroneously registered against the first above described land.

You are, therefore, hereby authorized and requested to remove from the said the N.E. 31-2-12 West 4th Meridian the liens in question for $228.10, $158.85, $105.00 and $29.30 respectively, registered against it in error.

A copy of this letter is being sent to Mr. Anderson for his information.

Kindly advise me of the action you may take in the matter.

Dear Sir,

Re: SE 8-3-12-5, 4th Mer.

Replying to your letter of the 20th ultimo, I beg to advise that in 1915 this Department made advances of seed grain, fodder and relief to Morton Merriam, taking as security liens against his patented homestead the SE¼ 8-3-12-5, 4th. These advances were made under the authority of the 1915 Acts both Provincial and Dominion, and are registered in the Land Titles Office as a first charge, taking priority over all other liens, taxes or other encumbrances whenever created.

The present standing of the account is as follows:-

Principal.	Int. to 31-3-41.	Total.
$535.25	$772.70	$1307.95

However, if you have purchased this land, or if the owner considers an adjustment should be made and will so advise this Department, the matter will be given every consideration.

Dear Sir:

Re: Morris Louis Baker
Your file 1205-001.

Referring to your letter of February 20th, I may say that a further search of records has been made but without being able to locate a homestead entry in the name of Bessie Baker, Bessie Becker or Bessie Bacher.

I have a record of a Linda Becker who was granted an absolute divorce from her husband (whose name is not mentioned in our records) by the courts of North Dakota on the 12th May, 1909. She had one child, three years old, dependent upon her for support. She obtained a homestead entry in 1910 and in the application for entry stated that she was an American citizen born in Wisconsin. Her land was near the international boundary, considerably south of district you mention. Her maiden name was Schleuter. I am just mentioning this lady as, if the families are related, the particulars may afford some assistance.

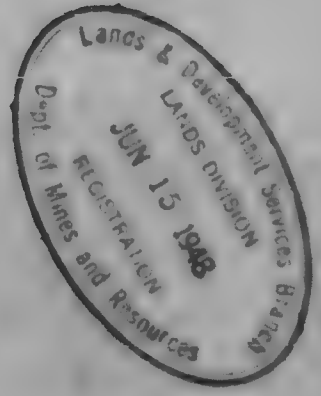
Honorable

Re N.E. ¼ Sec 31-2-12. I find enclosed have before me a letter from Dept of Municipal Affairs Edmonton also as to certain Road Liens etc registered against above mentioned land from the homestead days in this county. The Provincial amount is $167.38 interest included, and the Dominion amount is $1466.06. The letter states the Provincial has been cancelled. Being I have been asked by the original owners who reside in the states to purchase this land, and clean the matter up.



The land in this dry area is not so high in value. Besides land in question has also other claims against it. I am wondering if

If the Ottawa Dept could do a similar reduction as the Provincial, or at least a special cut, that would enable me to handle same some time in the future
I have had this land under rental agreement for past four years, and have managed to keep taxes paid up. Would be pleased to hear same time at your convenience.

Dear Sir: Re: Linda Anderson, deceased
NE 31-2-12-W.4th. Mer.
Joint Relief Advances

The late Mrs. Anderson obtained the following Joint Relief Advances giving a mortgage liens on the title to the above land.

February 5,1920	$121.40
April 20,1920	251.15
April 21,1921	49.20
February 20,1922	41.30
January 17,1922	36.85

Interest March 31,1952	1,388.75
	2,047.85
Payment	
Agg. 9/23 on A/c. Prin. 120.23	
Interest 122.08	242.31
	$1,805.54

Both the debtor and her husband are deceased and for sometime negotiations have been carried on with the individual who has been renting the above land who was endeavouring to purchase same. In 1948 he placed a value of Twelve hundred dollars on this property which would appear to be in order as the land was assessed for taxation purposes at Nine hundred and ninety dollars ($990.00) and is situated in a relatively dry part of the province, this township having been eligible for grants under the Prairie Farm Assistance Act, 7 years of the 11 in which grants have been granted.

Title to the above land was subject to a Mechanic's Lien registered in 1922 in the amount of two hundred and ninety dollars and sixty-five cents ($290.65) and a mortgage registered in the same year in the amount of Six hundred dollars ($600.00). In order for the purchaser to obtain title to the above land it was necessary for him to negotiate settlement of both the Mechanic's lien and the mortgage which were registered prior to the Joint Relief liens which he was able to do on the basis of payments of Fifty dollars ($50.00) and One hundred and fifty dollars ($150.00) respectively. It was also necessary for sufficient monies to

assets to the estate to make it worthwhile for the heirs to make the necessary arrangements to probate the estates of the debtor and her husband which would require a considerable expenditure.

The solicitors for the purchaser have suggested that after paying the Local costs and retiring the prior Mechanic's Lien and mortgage, it would be impossible to pay more than Two hundred dollars ($200.00) for release of the Joint Relief Liens and still leave sufficient for the heirs to proceed.

In view of the prior claims and the other circumstances, it would appear advisable to accept the offer of Two hundred dollars ($200.00) for a release of the liens as otherwise nothing could be realized at this time and there would be a very great possibility that the account would eventually become a total loss.

I therefore, recommend that the offer be accepted the balance of the account being written off and the liens discharge.

Provincial Seed Grain Advances in the original amount of Nine hundred and ninety-five dollars and twenty-nine cents ($995.29) have already been cancelled together with accrued interest.

Yours very truly,

Sir,-

I beg to acknowledge the receipt of your letter of the 10th ultimo, and in reply regret to say that your request to be compensated for the financial loss you have sustained through your being granted Homestead Entry for the South East quarter of Section 25, Township 54, Range 7, West of the 5th Meridian, cannot be entertained.

If the house you built upon the land had not been destroyed by fire, it is quite probable that the Canadian Pacific Railway Company would have permitted you to remove the building, and the Department would have been only too glad to correspond with them on your behalf.

The Department regrets the mistake which was made in allowing you to make entry for the quarter-section, which entry had to be cancelled owing to the land having been patented to the Railway Company.

You are entitled to another homestead, and if you have not made entry for any other Dominion Lands, the presentation of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting
